# The *Falcon* News

250,000 proud owners agree . . .

The Falcon Tudor Sedan . . . America's lowest-priced 6-passenger car

no other compact car measures up to Falcon

APRIL 1984

Vol. 5, No. 9

## VITAE

THE FALCON CLUB OF AMERICA, INC. is a non-profit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1979. Roy E. Sword founded the world-wide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to the Falcon Club of America are \$12.00 and are payable to The Falcon Club of America, Post Office Box 113, Jacksonville, AR, 72076.

THE FALCON NEWS is published monthly with information from its members. All ads must be sent to the Editor by the 10th of the month, with a limit of 2 ads per member per issue. Each ad must appear in a different section of the classified ads. The FCA will not be held responsible for errors. Legitimate errors will be corrected in the next issue when requested.

### FALCON CLUB OF AMERICA OFFICERS

President: Roy E. Sword, 629 N. Hospital Drive, Jacksonville, AR, 72076. Phone (501) 982-1029.

### OTHER CLUBS OF INTEREST

The Ford Falcon Club of San Diego, P. O. Box 3306, San Diego, CA, 92103.

The Ford Falcon Club of Los Angeles, 4724 N. Palmag, El Monte, CA, 91731.

The Ford Falcon Club of Arizona, 10209 N. 64th Street, Scottsdale, AZ, 85253.

Fairlane Club of America, 721 Drexel Ave., Drexel Hill, PA, 19026.

The Ranchero Club, 1339 Beverly Rd., Portvue, PA, 15133.

Comet Club, 2520 Homewood Place, White Bear Lake, MN, 55110.

**NOTE TO ALL MEMBERS:** The club will send out notices to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club.

## PRESIDENT'S MESSAGE

4

First I would like to thank Gene with Rancho Club for the outstanding article on the '83 Falcon. Gene has told me he will try to do a story on the early Rancho for the Club Newsletter, we'll be looking forward to hearing from you Gene!

For those of you who have run out of FCA windshield cards, be sure to let us know, they do work. We got two new members last month. So keep some in your wallet or glove box and put one on a Falcon or hand it to a person who is driving a Falcon.

Anyone who wants to be able to make it to the National Meet that might be interested in setting up a regional meet, contact your Director and work with them so they can contact the other members in your region.

See the rest of you in St. Louis.

President, FCA  
Roy E. Sword

Note: Gene with the Rancho club has contacted me since the last issue of our newsletter has come out about the 1983 Falcon and has ask me to tell you all thank you for the response he has gotten about the article he did for the Falcon news. He also wanted me to pass the word to you that he does not know where or how to go about buying of them.

EDITORIAL

Do you always look back at your car as you walk away from it? I suddenly realized the other day that most of my friends do. I'm sure I always do. I never drive anything that I don't like to look at. Neither do my friends. That's worth thinking about.

I really don't know my neighbors very well. Goodness knows what they do for fun. One of them has a bumper sticker that says that he'd rather be sailing. When I'm waiting for him to pull out into the traffic, I wish he was off somewhere sailing too. It's getting pretty obvious: most of my friends are old car people. I can relate to people who accomplish things with their hands. I find them creative and unpretentious. It's just not pretentious to want a restored Falcon for transportation. It doesn't even seem too regal to want a perfectly restored Falcon. but I digress.

It's funny how we tend to trust people we perceive to be most like ourselves. Would I take a check from a fellow Ford collector? Sure. Have many times. What about from your average hang glider pervert. Probably not. Now I don't mean to come down hard on hanglider folks (no pun intended) No doubt they trust each other and they should. My point is a bit broader than that.

Our circle of acquaintances seems to me to be centered in two places. First the work place. We see fellow workers every day and we have much in common with them.

I think a more important circle of acquaintances centers around our leisure activities. I don't think that's bad or good. It's just interesting. there are hundreds of people that I know on sight--not by name--who frequent the various car functions around the Southeast. I know more about them than I do my next door neighbors. Truth is, I probably trust them more also.

I figure you folks who read these words are more likely to be friends than my neighbors. As strange as it might seem, we in the Falcon Club are closer than first glance would indicate. Think about it: didn't you look back at that Falcon last time you parked it?

Hello from St. Louis your 1984 FCA convention city.

At our last meeting our members asked me to extend a personal invitation to all members of the FCA through the newsletter and I would like to say to each of you that we would like to meet you in St. Louis in 1984.

A new item we are working on for this convention will be seminars on restoring or repairing Falcons. Our editor Harold McLean, who wrote that impressive article on rebuilding automatic transmissions will bring a transmission and actually show the rebuilding process.

Our parts master Jim Hatcher will also hold a seminar but has not decided on the subject.

Ladies note!! We have not forgotten about you. Our western regional director Mrs. Fabey will present a seminar on the view points of a female car enthusiast. We also know that you ladies like to find unique shops to investigate. We have just such a shopping center about 1/2 mile from the motel, and there will be free limousine service to and from the shopping center.

A note of interest, the motel is located on I-270 which goes around St. Louis so you will not have to drive through city traffic to get here.

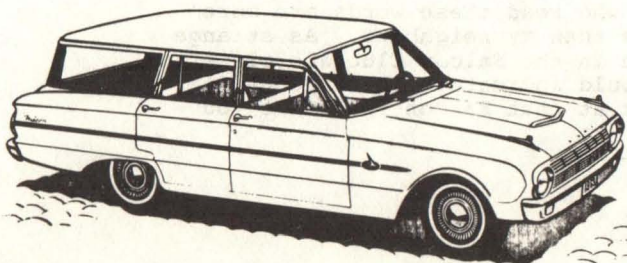

Our Chapter is working very hard to make this an enjoyable event for you, and you can help us immensely just by sending in your registration and reservations at least a month before the show if possible. We have reserved 150 rooms and can get more if we let them know at least 3 weeks in advance. Reserving early will also help us plan on t-shirts, plaques, banquet meals, etc.

Registration and reservation forms will appear in this FCA newsletter starting in May. I might add the first reservations received will get rooms overlooking the Falcon display area.

Let us know if we can help you. More later as our plans progress.

Meet me in St. Louis.

Tom O'Dell

Here's Ed Tucker's '65 Quatroporte. Ed and his Falcon live in Elliot City, Maryland. His Futura has but 56,000 miles--hardly broken in. Thanks Ed.

Oklahoma's OK and so is Tom Reddin's '65 Ranchero.

Thanks for the excellent picture, Tom. Not much rust in Norman OK, is there?

Here's an original Ford promotional post card sent by Obsolete Ford of Nashville, Ga. Quoting from the back of the card: "Falcon Fordor Deluxe Sedan in Oxford Blue. 'Best shape economy has ever been in'" Thanks, Charlie.

Ed: Each time I receive a phone call from a member I rashly promise next issue publication of a picture of their car. It doesn't always work, but it worked well this time. The pictures on the next two pages were not necessarily a result of that policy, but several in this issue were. By the way, that policy still stands, so fire up the Falcon and the camera. COLOR IS OK!

I wish that a b&w reproduction on this picture could do it justice. It is simply the most striking I have seen. The '61 SDL belongs to Flemming Horne. It's TUFF!

"Owner unknown" says the Dixieland Chapter. How 'bout it Dixie-- Get out and recruit this Falcon owner. Note, carefully, if you will, the unknown owner's back brake DISK ROTOR.

"Unknow Owner Found"  
Bobby Kirby  
Little Rock, Ark.

All pictures this page courtesy of the Dixie land chapter. The '63 on the left is Mary Horne's; directly above: Dale and Harriette Hastings'.

**CHAPTER NEWS:** The Northwest Falcon Chapter is alive with a meeting being held on December 4, 1983 and the most recent on March 4th. We had a real convertible day with the sunshine. Nine members and six guests were in attendance. What a collection of Falcon's; Sprint HTP's, convertibles, Futura convertibles and HTP's along with Ranchero's and a sedan delivery. Our meeting was held at a choice parking lot which really put the Falcon's on display. They brought alot of looks. Two new members signed up and several more are ready to join. Our next meeting will be held May 20th. Any of you Falcon members in the pacific northwest call President Ed at 745-1937 or Sec./Treasurer Max at 922-9855. We would like to talk Falcons. We are having a new club patch made which will be ready at the next meeting.

Max Appelgate  
Sec./Treasurer  
FCA #1504

#### MAY WE HAVE YOUR ATTENTION PLEASE!

We're in the final stages of getting our 62/63 deck lid ornament plastic replacement kit ready and it's looking good!

We are anticipating, at this time, a May 1st delivery date and are taking advance orders. Price will be \$30.00 ppd; kit includes new plastic and installation kit. (Dealer inquiries, on letterhead, welcome.) Northwest Classic Falcons, 137 N.E. 109th Ave., Portland, OR 97220  
PH: 503-252-6513 VISA/MASTERCARD available. See you at Portland; Main Mall #394-397, west end, south wall. We've got lots of other goddies!

## CHAPTER REPORT

Dixieland Chapter has had several meetings since our last report. In the fall, we met at Mary & Fleming Horne's home with 14 people and 7 Falcons present. In the shade by a lily pool full of goldfish, we talked Falcons and consumed almost 3 freezers of hand-cranked banana and vanilla ice cream provided by Dale and Harriette Hastings, as well as a chocolate cake baked by Mary Horne.

The Chapter has held several meetings at various restaurants, the most recent being at Bill and Jim's Restaurant.

The Dixielanders had planned to have 6 cars in the Bartlett Christmas Parade, but a downpour in December and convertibles don't mix too well. (We are still trying to get rid of 1000 pieces of bubble gum that we were going to throw to paradegoers!)

In January, we had three Falcons in a commercial car show at the Cook Convention Center here in Memphis. Dixieland members cars all took home trophies, as well as two other Falcons from out of town.

Dixieland Chapter usually meets on the 4th Sunday of the month. Visitors are welcome! Contact Fleming Horne, (901) 386-5894, or Dale Hastings, (901) 386-6395, for meeting time and place.

Dear Harold:

In the January issue of the FN I saw where you were asking about the colors of air cleaners and valve covers. I think I may be able to help you.

When our beloved little Falcons came out with the 60 model the engines were the 144 cubic inch. On these the valve cover and air filter were a medium royal blue. The engine block was black as with the oil breather. The gas lines were silver (not chrome). Next came the 170 cu. in. engines. Their air filters and valve covers were bright red, and the blocks remained the same. Then came the 260's. They were painted yellow, except for the Sprints and they had the chrome dress-up kits on them. One other thing to keep in mind, there were two different air filters used on the 144's, one was open and the other closed, but they were both the same color. I can not help you with any of the later years because I am strictly into the very early models. Also everyone should know the decals really set the engines off. I bought a super set from Obsolete Ford in Nashville Ga. They have the sets for all models and the instructions are included so you can place them correctly. Hope this helped.

Falcon Fan

Bonnie Stringer  
FCA #938  
110 Nicholson Avenue  
Long Beach, MS 39560

"Here is a picture of my '63 Falcon hardtop. Notice my '63 convertible inside the garage. By the way, I am the second owner of both Falcons. I hope these get in the Falcon News letter."

Thank you,  
Dennis Lavoice.

Ed: unfortunately, I lost Dennis's envelope so I don't know where Dennis lives. I sure like his cars!

Harold:

Falcon News Flash Question - Where was this Falcon car show?  
Answer: Joe Bassett's play room. These are Falcon dealer promotions. I think club members might enjoy this in the Falcon News, keep up the #1 job as Editor.

Joe Bassett, 123 Martin Pond Road  
Groton, MA 01450 #1033

Here's a picture of Bonnie Stringer's '60.

Bonnie writes from Long Beach, MS, a very short drive from your editor's home town, Biloxi. (well, actually, d'Iberville)

Bonnie forwarded some technical information which appears on the next page.

Thanks Bonnie. Does Elenor's still have 25 cent drinks on Wednesday?

Dear Mr. McLean:

An article in Motor Trend Magazine, the April issue, contained some very interesting facts on Falcons. Here are a few lines from "The Name Game."

In the late 1950's, both Ford and Chrysler were working on new economy cars called Falcon, but Chrysler had first rights to the name, via a 1955- vintage Falcon show car. So Henry Ford II put on the charm and convinced Chrysler into renaming its' car, which then became the Valiant. Also, the article states a Falcon, apparently not a Ford product, was built in 1908.

I enjoy the Newsletter and I would like to know if it is possible to obtain a 1983 Australian Falcon - who would I have to contact and how much it would cost. The 1960-63 resemblance is amazing.

My Falcon collection totals 5. A 1961 rare Econoline Falcon pickup truck, two 1962 Futura 2-doors, one 1964 Futura 2-door, and one 1966 Econoline Falcon Van, pictures when available.

Sincerely,  
Scott A. Kline, #1447

"Harold:

This 1961 Falcon is owned by 20 yr old James E. Pitcock, Jr. of Louisville, KY. (member #994) It's all stock except for the wheels and the left outside mirror, including the rebuilt 144 cubic inch 6 cyl. under the hood. The car has 80,000 actual miles, and was bought five years ago from my grandfather, who was the original owner. Can't wait for St. Louis."

Thanks for the picture James. James took this picture at an open house at the FoMoCo Louisville Ranger Truck plant in Feb, '82.

## 1960-1970 FALCON PARTS

### FALCON MANUALS

1960-63, 65, 66, 67, & 68 Falcon Shop Manuals	\$ 29.95
